United Nations Statistical Commission
Fifty-second session
1–3 and 5 March 2021
Item 3 (e) of the provisional agenda
Items for discussion and decision: business and trade statistics

Statement provided by: Foreign Trade Statistics, Central Statistical Organization, Myanmar.

Statement: Business and Trade Statistics

Myanmar has conducted mirror trade analysis of the neighboring countries. Moreover, Myanmar has been using not only the manual of International Merchandise Trade Statistics (IMTS): Concepts and Definitions 2010 but also Eurotrace software to improve the accuracy and quality of statistics in International Trade Statistics.

Myanmar has been developing indicators in business and trade statistics for the SDGs indicators.

Myanmar has been fully providing foreign trade statistics according to the needs of the United Nations Statistical Commission as well as the ASEAN Statistics Division (ASEANstats).

Myanmar would like to participate actively in any capacity building training, forums, workshops, and relevant activities to develop and strengthen the National Statistical System.
