

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (f) of the provisional agenda

Items for discussion and decision: environmental-economic accounting

Document E/CN.3/2021/10 – Report of the Committee of Experts on Environmental-Economic Accounting

<i>Statement provided by:</i> SWEDEN	
<i>Statement:</i> Sweden aligns itself with the statement made by Denmark on behalf of the ESS. Sweden believes that the best way to express that Chapters 8 – 11 are not part of the statistical standard is to adopt them as part of the applications and extensions for SEEA ecosystem accounting.
