Arab Republic of Egypt

***Statement:***

**Egypt thanks the team concerned with migration statistics for its effort and agrees on the importance of issuing a conceptual framework for migration, and stresses the importance of Statistical Committee coordinating between authorities to benefit from immigration data records, whether between states or within governments.**

**Egypt hosted the second international conference on migration and CAPMAS offered to implement a survey of international migration in African countries to cover the data gap. CAPMAS also takes the necessary measures in cooperation with International Organization for Migration to implement this survey.**
