**Items for discussion and decision: management and modernization of statistical systems**

**Document E/CN.3/2021/13 – Report of the Secretary-General on management and modernization of statistical systems**

<i>Statement provided by:</i> Federal Statistical Office Germany	
<i>Statement:</i>	
As we have already communicated in the past, we welcome the Handbook of Statistical Organization. It provides advices in detail on organizational and structural matters.	
We appreciate especially:	
<ul style="list-style-type: none"><li>- The planed user-friendly web version of the Handbook</li><li>- To handle the Handbook as “living document”, that means that the revision cycles are shortened in future</li></ul>
