Document E/CN.3/2021/13 – Report of the Secretary-General on management and modernization of statistical systems

Statement provided by:

Russian Federation

Statement:

The Russian Federation endorses the revision Handbook of Statistical Organization conducted by the Commission.

We support the revision plan of the Handbook and delivery of the Handbook as a web-based solution with the suggested features and functional requirements. We endorse the publication of chapter 2 in all the official United Nations languages and its presentation to as wide an audience.
