

United Nations Statistical Commission

Fifty-second session

1–3 and 5 March 2021

Item 3 (k) of the provisional agenda

Items for discussion and decision: international statistical classifications

Document E/CN.3/2021/15 – Report of the Expert Group on International Statistical Classifications

<i>Statement provided by:</i> The State of Kuwait	
<i>Statement:</i> Unofficial translation: The State of Kuwait adopts the International Standard Industrial Classification for All Economic Activities, Revision 4. The State of Kuwait adopts the Central Product Classification, Version 2-1. We support the revision of the mandate and operational functions of the Working Group on International Statistical Classifications to reflect terminology, structures and frameworks, as recommended by the Friends of the Chair Group on Economic Statistics, including changing its name to a Committee of Experts on International Statistical Classifications. The State of Kuwait appreciates the work of the expert group.
