Digital Passport

Tue 19 Jan 2021 11:24 AM

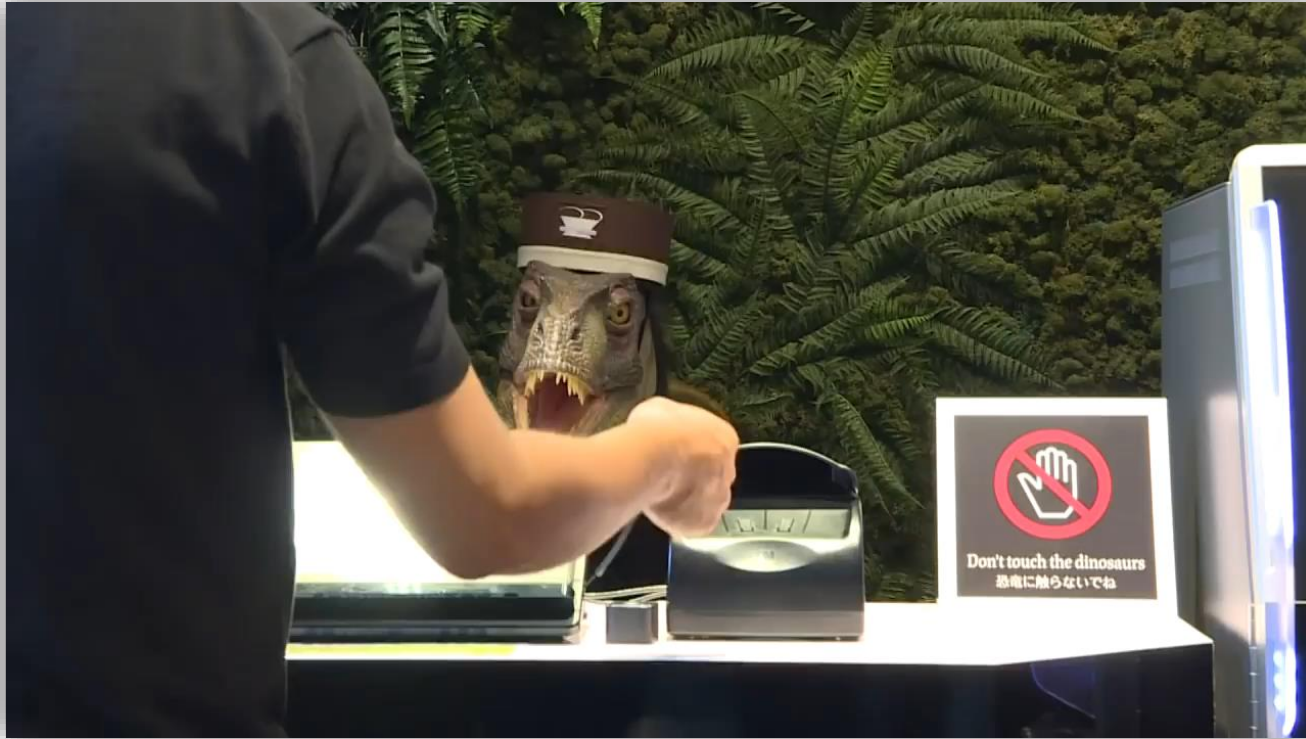

UAE airlines to trial new 'digital passport' app to combat ongoing coronavirus threat

Emirates and Etihad Airways are among first airlines in the world to trial the IATA Travel Pass

IATA Travel Pass enables passengers to create a 'digital passport' to verify their pre-travel test or vaccination meets the requirements of the destination.

Robot Hotels

Japan's Henn-na Hotel has some cheery robo-staff to make your stay comfortable. Photography by Trevor Williams, via Mashable

Would you spend a night in Japan's new robot hotel?

A staff of humanoid robots and hospitable dinos graciously welcomes you to Henn-na Hotel

Space Hotel

Space tourism: Plans for world's first space hotel to open in 2027

© 4 Mar 2021 Last updated at 10:50

Do you want to go travelling to see the world when you're older? But what if you could see the whole world in one go...?

That might be possible in just six years, when the first ever space hotel is expected to open.
