Subject: 53rd session of the United Nations Statistical Commission

Excellency,

Enclosed to my letter dated 8 March 2022, I circulated three draft proposals of the United Nations Statistical Commission under silence procedure until Friday, 11 March 2022, at 6 p.m. By the end of that deadline, I did not receive any objection from members of the Statistical Commission.

Therefore, in accordance with the decision of the Economic and Social Council 2022/312 of 16 February 2022, it is my pleasure to inform you that the silence procedure was not broken and that the three following proposals are therefore considered adopted by the Commission:

(a) the procedural report of the Commission’s fifty-third session (E/CN.3/2022/L.3);
(b) the resolution entitled “Ensuring the work in the field of statistics and data is adaptive to the changing statistical and data ecosystem”; and
(c) the decisions of the Commission’s fifty-third session.

I take this opportunity to thank you once more for the successful conclusion of the fifty-third session of the Statistical Commission and the valuable contributions.

Please accept, Excellency, the assurances of my highest consideration.

Yours sincerely,

Gabriella Vukovich
