

United Nations Statistical Commission

Fifty-third session

Item 3 (a) of the provisional agenda

Items for discussion and decision: data and indicators for the 2030 Agenda for Sustainable Development

Document E/CN.3/2022/4 – Report of the High-level Group for Partnership, Coordination and Capacity-Building for Statistics for the 2030 Agenda for Sustainable Development

<i>Statement provided by:</i> Mexico-INEGI	
<i>Statement:</i> Mexico takes note of the report of the High-level Group for Partnership, Coordination and Capacity-Building for Statistics for the 2030 Agenda for Sustainable Development. Mexico endorses the amended terms of reference as they consider the participation of the Heads of the NSO to accomplish the engagement between the statistical community and other stakeholders working for the implementation of the Sustainable Development Goals and targets. Mexico endorses the Bern Data Compact for the Decade of Action on the Sustainable Development Goals to continue using data and statistics for people, planet and prosperity. Mexico endorses the timeline and process for the review and revision of the Cape Town Global Action Plan for Sustainable Development Data. Mexico endorses the proposed workplan of the High-level Group for 2022.
