

United Nations Statistical Commission

Fifty-third session

Item 3 (a) of the provisional agenda

Items for discussion and decision: data and indicators for the 2030 Agenda for Sustainable Development

Document E/CN.3/2022/2 - Report of the Inter-Agency and Expert Group on Sustainable Development Goal Indicators

Statement provided by:

ODC and WB on behalf of the Committee for the Coordination of Statistical Activities (CCSA)

Statement:

This is a joint statement submitted on behalf of the Committee for the Coordination of Statistical Activities (CCSA), which consists of 45 international and supranational organizations promoting the inter-agency coordination and cooperation on statistics.

The Committee:

CONGRATULATES the Inter-Agency Expert Group on Sustainable Development Indicators (IAEG-SDGs) for their continued efforts on the implementation of the global indicator framework.

EXPRESSES its appreciation to the Expert Group for its efforts towards ensuring engagement with custodian agencies for issues related to the improvement of the indicators and their metadata, including the work of its subgroup on improving the overall quality of metadata in order to facilitate data transmission and allow for better implementation of the indicators by countries.

REAFFIRMS that CCSA members and custodian agencies remain committed to actively engaging with the IAEG-SDGs to ensure the production of good data for monitoring the SDGs and continue improving the data flow and global data reporting processes.

And REAFFIRMS that CCSA members remain committed to actively engaging with the IAEG-SDGs on capacity building for monitoring SDGs at national level and offering agency expertise and support on the different areas of its work.
