| <i>Statement provided by:</i> Statistical Office of the Republic of Slovenia | |
| <i>Statement:</i> Statistical Office of the Republic of Slovenia welcomes in 2020 newly established Collaborative on the Use of Administrative Data for Statistics and has decided to contribute to its work through membership in the task team 2. The outcomes of the Collaborative in the past year are diverse and therefore useful for a very broad range of interested parties aiming at increasing and improving the use of administrative data sources for official statistics. | |
