

United Nations Statistical Commission

Fifty-third session

Item 3 (d) of the provisional agenda

Items for discussion and decision: regional statistical development

Document E/CN.3/2022/7 – Report of the Economic Commission for Europe on regional statistical development

<i>Statement provided by:</i> Netherlands	
<i>Statement:</i> The Netherlands warmly welcomes the report of the Economic Commission for Europe and the report on the work of the High-Level Group for the Modernisation of Official Statistics. The achievements presented clearly show the power of international collaboration. We would like to acknowledge in particular the highly motivated UNECE team making this all possible, as well as the many colleagues the world over that contribute actively for the common good. The Netherlands will continue to participate in various projects and activities under the UNECE and HLG-MOS umbrella.
