Item 3 (e) of the provisional agenda

Items for discussion and decision: population and housing censuses

Document E/CN.3/2022/8 – Report of the Secretary-General on the implementation of the 2020 World Population and Housing Census Programme

Statement provided by:

Department of Statistics Jordan

Statement:

Population and Housing Census 2020

This report focuses on the impact of the Corona pandemic on the implementation of world censuses. Jordan carried out its 2015 census and its results were published very quickly a month after the census ended.

In Jordan, the census was carried out through tablet and data was collected and transmitted electronically.

In Jordan, thought is being given to taking advantage of administrative records in the next census.
