

United Nations Statistical Commission

Fifty-third session

Item 3 (g) of the provisional agenda

Items for discussion and decision: human settlements statistics

Document E/CN.3/2022/11 – Report of United Nations Human Settlements

Programme on human settlements statistics

<i>Statement provided by:</i> Planning and Statistics Authority (PSA) State of Qatar	
<i>Statement:</i> The Planning and Statistics Authority advises that it collects the available statistical data in relation to the State of Qatar according to the framework specified in the report of the United Nations Human Settlements Programme. The indicators are calculated according to the specific metadata for calculating the indicators of the above-mentioned goals and are published in the annual report of Qatar Sustainable Development Goals. Actions to be taken by the Statistical Commission: (a) To take note of the achievements and approve the planned human settlements statistics activities of UN-Habitat for the next four years; All that is stated in Paragraph (a) has been taken note of. (b) To take note of the progress made on rolling out the global urban/city definition and the capacity development plan following its earlier endorsement in 2020; All that is stated in Paragraph (b) has been taken note of. (c) To endorse the global urban monitoring framework and its further implementation as part of a harmonized global urban United Nations system-wide strategy. The Planning and Statistics Authority endorses the global urban monitoring framework and its further implementation as part of a harmonized global urban United Nations system-wide strategy.
