United Nations Statistical Commission
Fifty-third session
Item 3 (k) of the provisional agenda
Items for discussion and decision: education statistics

Document E/CN.3/2022/15 Report of the Institute for Statistics of the United Nations Educational, Scientific and Cultural Organization on education statistics

Statement provided by:
Central Agency for Public Mobilization and Statistics (CAPMAS)
Arab Republic of Egypt
Statement:
Egypt supports the progress made by the Institute for Statistics of UN in educational statistics standards, methods, and data collection, as well as the work carried out by the Institute and the Global Education Monitoring Report team.   We would like to point out that the CAPMAS is working to provide data for the purposes of sustainable development related to education through the continuous update of its sustainable development report.   CAPMAS also applies the latest statistical methodologies and methods used in collecting, analyzing and disseminating data, and applies the International Standard Classification of Education "ISCED 2011" and the International Standard Classification of Education and Training 2013.
