Items for discussion and decision: Network of Economic Statisticians

Document E/CN.3/2022/19 – Report of the United Nations Network of Economic Statisticians

<i>Statement provided by:</i> General Authority for Statistics - Kingdom of Saudi Arabia	
<i>Statement:</i> We appreciate the efforts undertaken to establish the Network to improve the connectivity and practices of economic statistics. We also value the proposed mandates and Network reference that can ensure an enhanced data access and statistical framework with global partnership to bring from across the globe together and facilitate their collaboration. We therefore endorse the terms of reference of the Network as well as the deliverables of the work programme of the Network.
