

United Nations Statistical Commission

Fifty-third session

Item 3 (r) of the provisional agenda

Items for discussion and decision: International Comparison Programme

Document E/CN.3/2022/22 – Report of the World Bank on the International Comparison Programme

<i>Statement provided by:</i> DANE-Colombia	
<i>Statement:</i> Colombia highlights the outstanding efforts made by the International Comparison Programme to conduct its activities despite the restrictions posed by the pandemic. In addition, we commend the Programme members on the publication of Purchasing Power Parities for Policy Making: A Visual Guide to Using Data from the International Comparison Programme. This document contains crucial information that will guarantee several stakeholders to be able to use the information amid decision-making processes. As the mobility restriction measures are being reduced, particularly in the LAC region, we underscore the importance of keeping-up efforts from the national perspective, allowing to deliver the required information. We remain committed to the provision of the required information, as well as to share our experiences with interested stakeholders.
