

United Nations Statistical Commission

Fifty-third session

Item 3 (s) of the provisional agenda

Items for discussion and decision: agricultural and rural statistics

Document E/CN.3/2022/23 Report of the Food and Agriculture Organization of the United Nations on recent developments in agricultural and rural statistics

Statement provided by:

Central Agency for Public Mobilization and Statistics (CAPMAS)

Arab Republic of Egypt

Statement:

Egypt supports the progress made by the Food and Agriculture Organization with regard to data production and quality, as well as the establishment of the FAO Data Laboratory for Innovations, which affects the ability of countries to produce quality statistics in the field of food and agriculture within the framework of monitoring the sustainable development goals related to agriculture.
