

United Nations Statistical Commission

Fifty-third session

Item 3 (u) of the provisional agenda

Items for discussion and decision: big data

Document E/CN.3/2022/25 Report of the Committee of Experts on Big Data and Data Science for Official Statistics

Statement provided by:

Central Agency for Public Mobilization and Statistics (CAPMAS)

Arab Republic of Egypt

Statement:

Egypt appreciates the work done by the Committee of Experts and supports the items contained in the document with the wish to exchange experiences with statistical agencies that have implemented projects using big data to benefit from those experiences, as CAPMAS is currently working on establishing and qualifying a working team of all fields to use big data to collect and analyze statistical data, while planning to collect data using big data techniques and comparing it with what is collected with current methods to judge the reliability of that data.
