

United Nations Statistical Commission

Fifty-third session

Item 3 (w) of the provisional agenda

Items for discussion and decision: open data

Document E/CN.3/2022/27 – Report of the Working Group on Open Data

<i>Statement provided by:</i> CANADA	
<i>Statement:</i> Canada endorses the findings and recommendations of the Working Group on Open Data. Statistics Canada fully supports the principles of open data by ensuring that all publicly available data are accessible in an open format. We also endorse the working group’s findings and their recommendation of including open data as part of the dialogue explored by the data stewardship working group. We support the conclusion that the working group has fulfilled its mandate and should be discontinued.
