

United Nations Statistical Commission

Fifty-third session

Item 3 (w) of the provisional agenda

Items for discussion and decision: open data

Document E/CN.3/2022/27 Report of the Working Group on Open Data

Statement provided by:

Central Agency for Public Mobilization and Statistics (CAPMAS)

Arab Republic of Egypt

Statement:

1. Egypt supports the effort made by the Working Group on Open Data and suggests strengthening the maturity model with some guidelines to clarify how statistical offices can determine the level of maturity and address deficiencies, if any.
- 2- CAPMAS publishes all statistical bulletins on its website and the update is always done according to the statistical periodicity (annual / semi-annual / monthly) to make it available to all data users in an electronic form that can be inter-reused
2. CAPMAS provides PUF intended for public use in accordance with data confidentiality laws on the official website or by filling out a data request form through the website. 10% of Egypt's population census data 2017 and 50% of Egypt's fifth economic census 2017/2018 have been available.
