

United Nations Statistical Commission

Fifty-third session

Item 3 (y) of the provisional agenda

Items for discussion and decision: governance, peace and security statistics

Document E/CN.3/2022/29 Report of the Praia Group on Governance Statistics

Statement provided by:

Central Agency for Public Mobilization and Statistics (CAPMAS)

Arab Republic of Egypt

Statement:

Egypt supports the work of the Praia Team on Governance Statistics and supports the Praia Team's work plan for the period 2020-2025, especially with regard to improving and standardizing methodologies, supporting national statistical offices and their three pillars, systematic work (continuing to develop international statistical guidelines and standards that are used to measure governance), and capacity development (Strengthening the capacities of statistical offices to produce reliable statistics on governance through a series of webinars) and community building (through increasing the demand for governance statistics and helping to mobilize national and international resources to produce those statistics)
