

United Nations Statistical Commission

Fifty-third session

Item 3 (y) of the provisional agenda

Items for discussion and decision: governance, peace and security statistics

Document E/CN.3/2022/29 – Report of the Praia Group on Governance Statistics

<i>Statement provided by:</i> Dr. Mohd Uzir Mahidin, Chief Statistician, Department of Statistics, Malaysia (DOSM)	
<i>Statement:</i>	
(a) Malaysia would like to welcome the report made by the Praia Group on Governance Statistics. The report contains the background of Praia Group submission report in UNSC session, 2020-2025 Workplan, and a summary regarding current and future activities planned by Praia Group;	
(b) Malaysia fully supports the effort made by the Praia Group on Governance Statistics regarding the work plan on three pillars concerning further improving methodologies and standardisation as well as assisting National Statistical Offices around the world in putting those methodologies into practice.	
(c) Malaysia appreciates the work plan of both of the Praia Group task teams which contribute to and support global and regional events related to the implementation of the agenda. Malaysia hopes another task team on other dimensions could be formed afterwards.
