Document E/CN.3/2022/29 – Report of the Praia Group on Governance Statistics

<i>Statement provided by:</i> Russian Federation	
<i>Statement:</i> The Russian Federation acknowledges the work conducted by the Praia Group on Governance Statistics delivered thus far. We highlight that the work of the Praia Group should be conducted on the basis of consensus concepts in accordance with the 2030 Agenda and not be used to promote controversial non-agreed provisions at the international level. We support the priority areas outlined in the Praia Group workplan, in particular its three pillars – methodological work, capacity development and advocacy.
