

United Nations Statistical Commission

Fifty-third session

Information items 4(a) – 4(i)

<i>Statement provided by:</i> Department of Statistics Jordan	
<i>Agenda item</i>	Item 4(b) Disability statistics (E/CN.3/2022/31)
<i>Statement:</i> Disability statistics The Department in Jordan added the Washington Group questions to the 2015 census. The brief disability questions have been added to the Household Expenditure and Income Survey and will be added to the Workforce Survey. These questions will be added to the Population and Family Health Survey 2022. Jordan, in collaboration with the Supreme Council for Disabled Persons, will implement the extended questionnaire of the Washington Group on Disability in AL Kura district in Irbid governorate.
