REFERENCE: STATCOMM (53rd)

The United Nations Secretariat presents its compliments to the Permanent Representatives of Member States and to the Permanent Observers of Non-Member States to the United Nations and has the honour to inform them that the Statistical Commission will hold its fifty-third session in an informal virtual format, from 28 February to 2 March and on 4 March 2022. A formal decision by the Economic and Social Council in this regard will be shared once issued.

The annotated provisional agenda for the session is issued as document E/CN.3/2022/1.

The United Nations Secretariat would be grateful if the Permanent Representatives of Member States and the Permanent Observers of Non-Member States would inform it of the names and emails of the members of the delegation of their Government who will attend the session, by registering the composition of their delegations in the e-deleGATE portal (under ECOSOC/Statistical Commission).

Additionally, e-deleGATE Admins/Focal Points in the Permanent Missions are requested to register their participants for the session in the Statistical Commission module of the e-deleGATE portal, with the “Temporary delegate” account, so they could receive Secretariat’s messages, circulated through the portal.
