Banks

The closest bank to the United Nations Secretariat is Chase Manhattan Bank, located on 2nd Ave between 42nd and 43rd Street (open from 9 a.m. to 5 p.m.). There are ATMs and foreign currency exchange at the bank, as well as ATMs on UN premises (e.g., UN Visitor Centre in the basement of the General Assembly building).

Money

The majority of ATMs (Automated Teller Machines) networks in New York City are linked to a network that most likely includes your bank at home. Hence, you would be able to make a cash withdrawal if you have a cash card (ATM Card) that offers **Cirrus** (<http://www.mastercard.com/atmlocator/index.jsp>) or **Plus** (www.visa.com/atm), the 2 most popular networks. There are fees and daily limits associated with withdrawing money using the above networks. Please check with your bank at home for this information.

Traveller's cheques are another good and safe alternative. Be sure to keep a record of their serial numbers, so you are ensured a refund in case they are lost or stolen. The 3 most popular traveller's cheque providers are **American Express** (American Express branches, www.americanexpress.com), **Visa** (Citibank branches), **MasterCard** (Thomas Cook Currency Services).

Credit Cards are a convenient way to pay for transactions. **American Express, Visa and Master Card** (among others) are accepted virtually everywhere in New York.
