STATISTICAL COMMISSION
Seventh session
Item 4 of the agenda

RECOMMENDATIONS FOR THE IMPROVEMENT OF VITAL STATISTICS

Union of Soviet Socialist Republics: proposal

1. Include in the statistical forms relating to births, deaths and marriages an item on national origin.

2. Break down the item relating to the social status of the individuals whose statistical records are being compiled, to distinguish between entrepreneurs, directors (managers), employees, hired workers, craftsmen, landless peasants, peasants with medium-sized holdings, large-scale farmers and others.
