

Data Access Sprint

Current state of affairs

Lianne Ippel

2 February 2022

Overall goals

A. Awareness of issues related to GVC statistics

- ❖ economic
- ❖ data access

B. Building blocks for GVC data access strategy

C. Create community of practice

D. Develop roadmap 'beyond the sprint'

First session, 26 January 2022

- A. 91 participants
 - ❖ 57 countries
 - ❖ 13 international organisations
- B. Opening remarks by Stefan Schweinfest (UNSD), Mohammed Hassan (UAE), Greg Peterson (CA), Rob van Kan (NL)
- C. Keynotes by Daria Taglioni (World Bank) and Stacey Frederick (Duke University)
- D. Plenary polls
- E. Breakout room discussions

Poll results of first session

A. Top 3 policy area interests:

- ❖ Contribution to national income and gdp
- ❖ Environmental aspects
- ❖ Distribution of fair labour

B. Top 3 industry interests:

- ❖ E-commerce/online B2C trade
- ❖ Electronics
- ❖ Apparel/clothing

Further sessions

10 February: Eurostat, Un Global Compact, UNCTAD

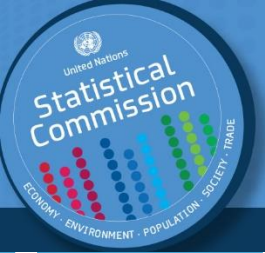

21 February: Companies' perspective (e.g. ASML)

16 March: To be decided

Semi-agile approach

- ❖ Partly depending on interest of sprinters
- ❖ Partly depending on availability of speakers and documents

BETTER DATA
BETTER LIVES
