

# From silos to a multidimensional approach to measure the Sustainable Development Goals

**Pali Lehohla**  
South Africa Statistician General  
and Chair of the Africa  
Statistical Development

**Giorgio Alleva**  
President of Istat,  
Italian National Institute of Statistics

**José Rosero (PhD)**  
Director of the Ecuadorian National  
Institute of Statistics (INEC) and Chair  
of the Statistical Commission  
of the Americas

**Diego Silva**  
Deputy Director General of  
Colombia's National Department  
of Statistics (DANE)

**Molly Elgin-Cossart**  
Senior Fellow  
Centre of American Progress

Will multidimensional poverty measurement become an indispensable tool for monitoring the Sustainable Development Goals?

Could multidimensional measurement help the SDG's to get away from a silos approach?

Which capacities, instruments and tools are needed for governments to apply a multidimensional measurement approach?

Friday, March 6, 2015

8:15 - 9:30 am

Conference Room 12

UN Headquarters

New York
