  - Outward FDI by sector (VSIC 2007) and by partner country: number of project; total registered capital; capital owned by Vietnamese investors
2. FDI statistics (cont.)

What data are collected:

- SBV: Investment incomes; Transfers; capital and finance...

- GSO: performance indicators
3. Collection and compilation on FDI statistics in GSO

- **Data source:**
  - ✔ Statistical Regime issued by Prime Minister applying for SoE and FDI enterprises monthly.
  - ✔ Surveys according to the National Statistical Survey Program signed by Prime Minister (5 yearly)

- **Collected Indicator:**
  - ✔ Monthly/quarterly: main indicators for business statistics as IIP (industry statistics), retail trade, exports and imports of goods...
  - ✔ Annually survey/census:
    - Annually survey: almost performance indicators
    - Census every 5 years: the same indicators as annual and to add some more indicators on labour (by age/qualification...), ICT uses, financial access...
3. Collection and compilation on FDI statistics in GSO (cont.)

Data **collection** from Annual Enterprise Survey
- Conducting from 2002, to collect up-to-date whole statistics performance indicators
- Statistical unit: all FDI enterprises
- Time: 1\(^{st}\) April annually
- Data items: performance indicators of previous years
- Data collection by the PSOs
- Data compilation and dissemination by the GSO
3. Collection and compilation on FDI statistics in GSO (cont.)

• Indicators:
  - General information (*including tax code provided by business registration office using for all purposes*);
  - Employees and compensation for employees;
  - Asset and capital source;
  - Inventory;
  - Investment capital (*percentage of capital owned by foreign investor*);
  - Turnover
3. Collection and compilation on FDI statistics in GSO (cont.)

- Indicators:
  - Products of industry
  - Other business indicators: constructions, whole sale and retail trade, transportation, finance, insurance, other services activities following VSIC 2007
  - Income and profit
  - Tax and other items payable...
4. FDI and FATS statistics

- The separation out of GATS FATS enterprises from the list of FDI enterprises could be presented using the criterion of over 50% foreign ownership.

- The GSO can compile the data of the Inward FATS based on annually data from Enterprise Survey based on the share of foreign capital.

Thank you!
