The Development Data Revolution

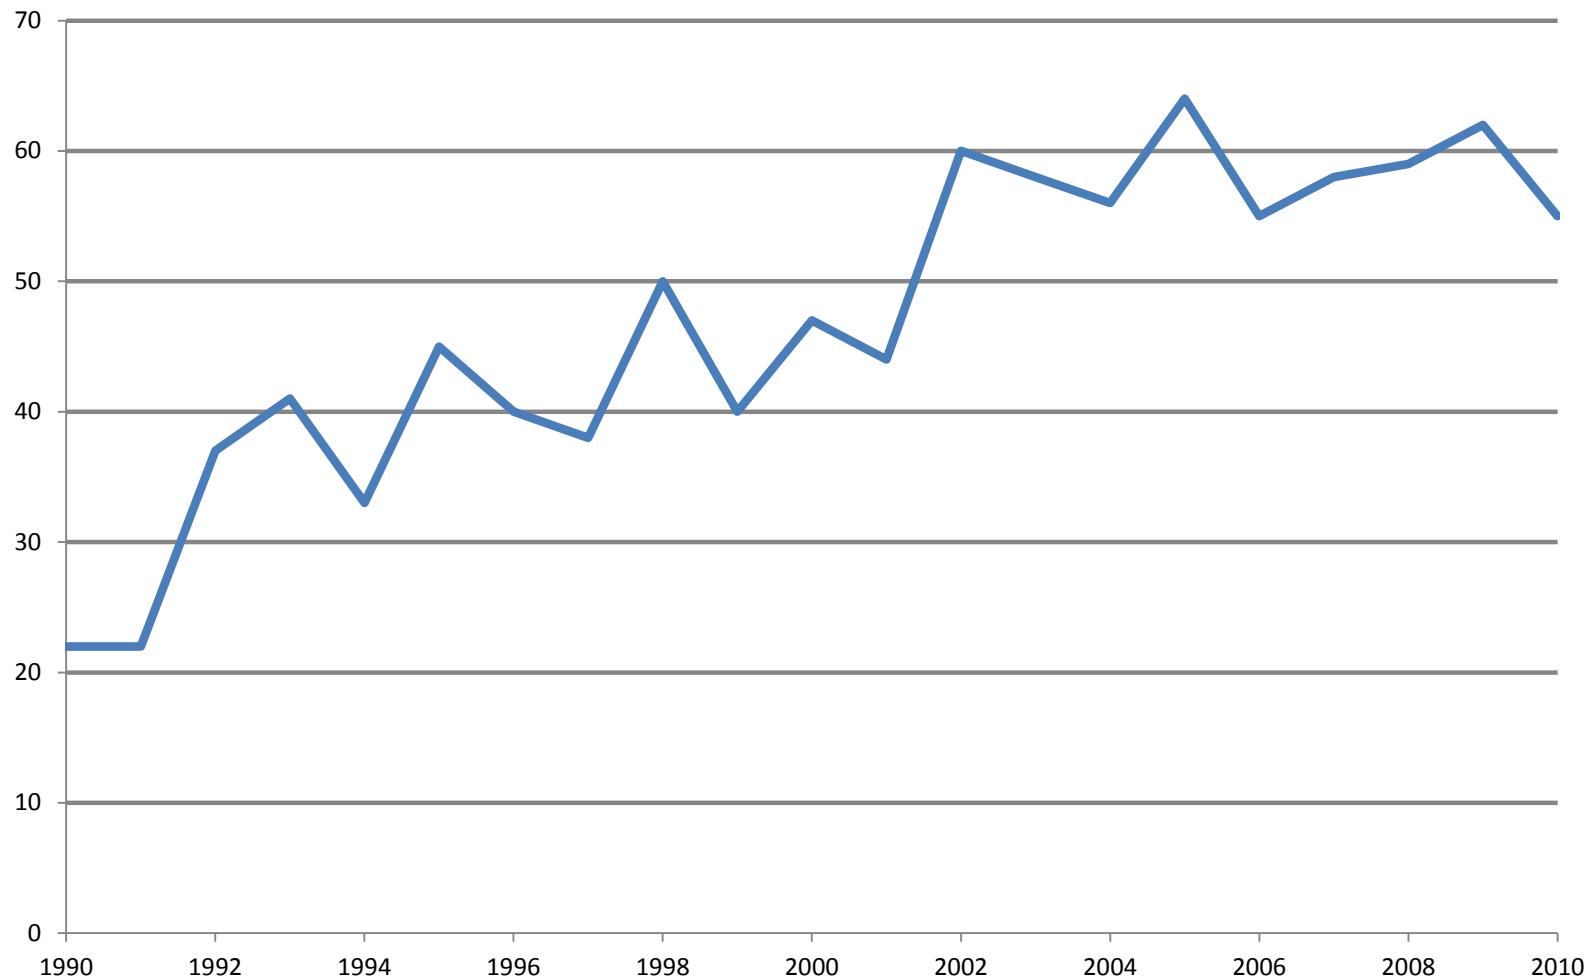

What's different this time?

Strong political support to drive change
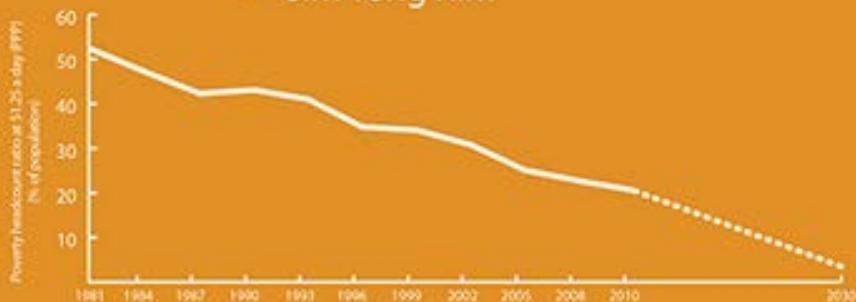

Key Data Gaps Remain

Data for accountability & service delivery

"To reach the 2030 goal, we must halve poverty once, then halve it again, and then nearly halve it a third time—all in less than one generation."
— Jim Yong Kim

KENYA OPEN DATA INITIATIVE
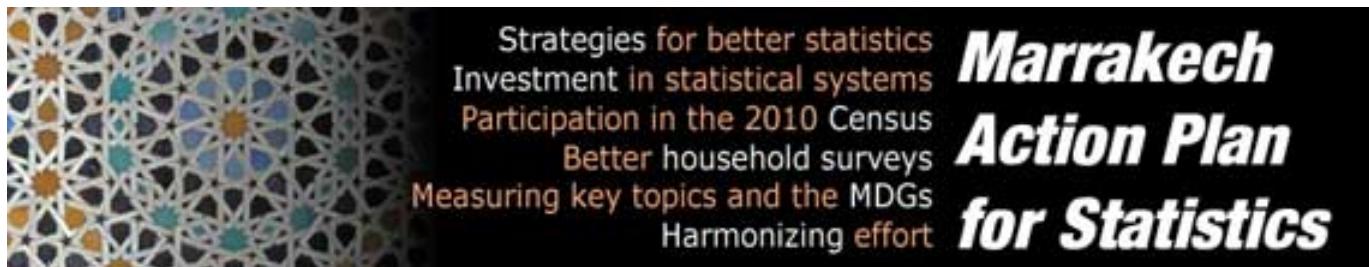

Opportunities for innovation and new partnerships

Build on past global initiatives for statistical capacity

Strategies for better statistics
Investment in statistical systems
Participation in the 2010 Census
Better household surveys
Measuring key topics and the MDGs
Harmonizing effort

Marrakech Action Plan for Statistics

Statistics for Transparency, Accountability, and Results:

A Busan Action Plan for Statistics

How well can the Revolution be Managed?
