The Development Data Revolution

What’s different this time?
Strong political support to drive change
Key Data Gaps Remain
Data for accountability & service delivery

“To reach the 2030 goal, we must halve poverty once, then halve it again, and then nearly halve it a third time—all in less than one generation.”

— Jim Yong Kim
Opportunities for innovation and new partnerships
Build on past global initiatives for statistical capacity
How well can the Revolution be Managed?
