# Future plans of business demography

- ▶ We have to generalize the business demography statistics in all surveys.
- ▶ calculate the survival rate of the establishments according to the economic activity in order to expect the life period of the economic activity.

# Future Plans of SBR

- CAPMAS is working now with Egyptian tax authority to hold memorandum of understanding (MOU).
- We have written the MOU and now it is under revision.
- The main goal of MOU is to supply CAPMAS with the main data of taxpayers, mainly their activities, tax identification numbers, and their address to build an integrated SBR

# Future Plans of SBR(cont.,)

- ▶ We are preparing now to work with the Egyptian Tax Authority to unify the classifications of the establishments according to (ISIC Rev.4) as a beginning step for building an integrated SBR.

A bouquet of red carnations is the central focus, set against a shimmering gold background. Numerous clear water droplets of various sizes are scattered across the scene, some resting on the petals and leaves, others floating in the air. The lighting is soft and warm, highlighting the texture of the flowers and the reflective surfaces of the droplets.
