

**Regional Workshop for the countries of the Commonwealth of Independent States
on tourism statistics**

*29 June – 2 July
Chisinau, Moldova*

Purpose of the questionnaire

The purpose of this questionnaire is to collect information on the CIS countries practices in compiling tourism statistics. The information obtained from this questionnaire will be used in a number of ways, including for:

- Assessment of the current status in tourism statistics in terms of their scope, coverage, timeliness and compliance with relevant international recommendations;
- Identifying challenges and good practices in collection, compilation and dissemination of tourism statistics in the region;
- Providing inputs for the preparation of future manuals that will assist compilers of tourism statistics.

Recording responses to questions

Please use the questionnaire to complete your answers. Where appropriate, you are encouraged to provide descriptive answers in reply to the individual questions. Please provide also any further information/supporting documents that your country considers important for the compilation of tourism statistics.

Due date

The United Nations Statistics Division would very much appreciate it if you complete the questionnaire before 27 May 2010. Please, send your responses and any supporting documents to our mailbox (tradeserv@un.org) and also bring a completed copy with you to the workshop.

Your response is highly appreciated and we thank you very much for your time in completing this questionnaire and your cooperation in this important study.
