TA 7. Data for Accountability to the People

Cape Town Global Action
Plan for Sustainable
Development Data

Dubai Declaration

Global data community's
response to Covid-19

Bern Data Compact for a
Decade of Action on the
Sustainable Development
Goals

ROAD to BERN

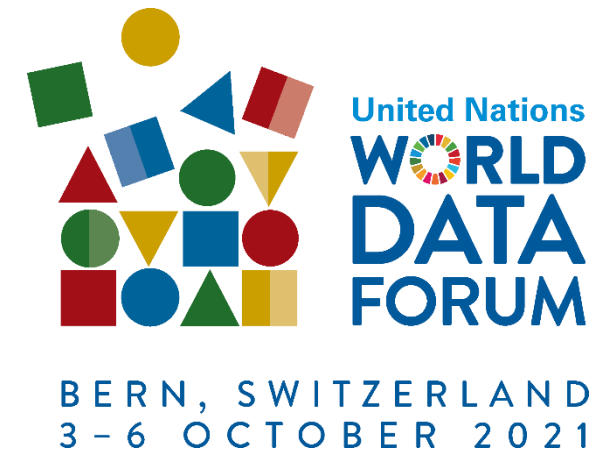

UN World Data Forum webinar – what to expect at the Forum?

Online, 19 August 2021

Benjamin Rothen, Stephan Skok

UN World Data Forum in Bern

- One of the first events «after» the pandemic;
- End of the Road to Bern – from January 2020 to October 2021;
- 600+ participants;
- Meeting new partners;
- Venue and City:

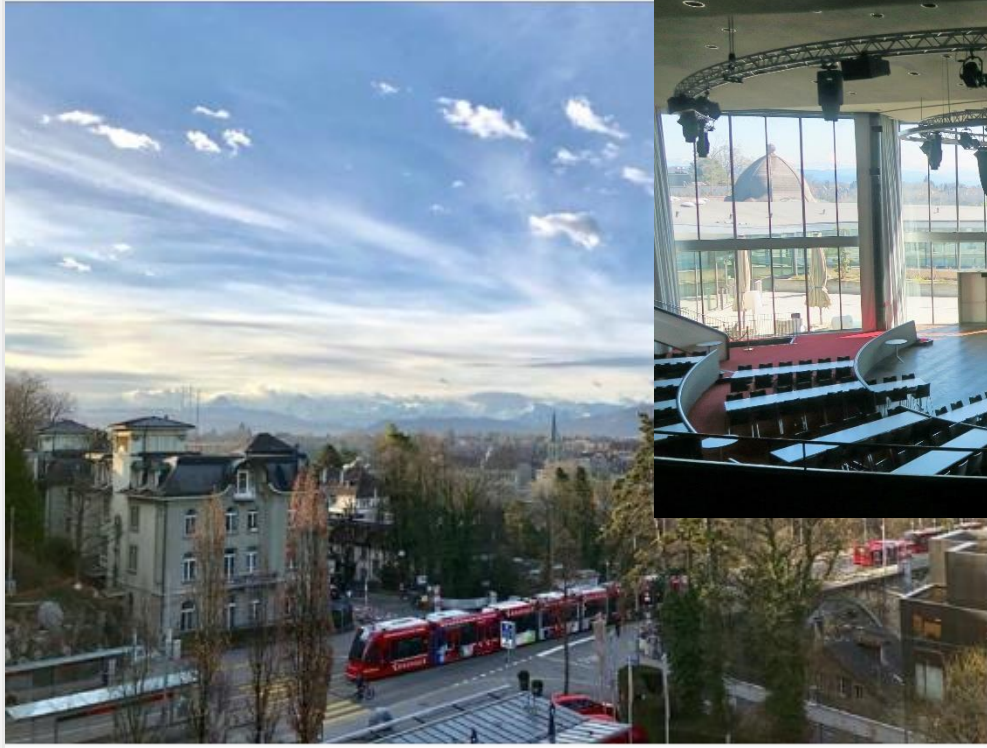

Shaida Badiee

4. April · 👥

Most meetings and conferences I go to discuss development data challenges are in dark and dingy basement rooms. But not this week in Bern in a conference on "Truth in Numbers" no basement room! This is the view from the conference room! Not bad at all! Haishan Fu Francesca Perucci Philipp Schonrock

Sustainability Concept

- Three dimensions of Sustainability;
- Actions and Recommendations:
 - 1. Carbon neutral event;
 - 2. Mobility;
 - 3. Sustainable catering;
 - 4. Logistics;
 - 5. Social aspects;
 - 6. Economic aspects;
 - 7. Sustainable conferences.
