**United Nations Group of Experts on  
Geographical Names****2019 session**

New York, 29 April–3 May 2019

Item 7 (b) of the provisional agenda\*

**National and international standardization of geographical  
names: toponymic guidelines for map and other editors for  
international use****General remarks by the Coordinator of toponymic  
guidelines for map and other editors for international use****Summary\*\***

The full report provides a review of the toponymic guidelines drawn up by the United Nations Group of Experts on Geographical Names and highlights major activities undertaken since the Eleventh United Nations Conference on the Standardization of Geographical Names. It provides links to documents concerning toponymic guidelines. This easily accessible information should encourage the publication of toponymic guidelines by countries that have not yet done so.
