

STATEMENT/INTERVENTION

<i>Agenda Item Number: 14</i>	
<i>Agenda Item Title: Toponymic data files and gazetteers</i>	
<i>Title of paper/report: Report of the Working Group on Geographical Names Data Management (formerly known as Working Group on Toponymic Data Files and Gazetteers) for 2019 and 2020</i>	
<i>Statement/intervention provided by:</i> CANADA	
<i>Statement/intervention:</i> Canada supports the adoption and formal name change of the Working Group to 'Working Group on Geographical Names Data Management'. Canada also supports an update to the provisional agenda for the UNGEGN Session 2023 accordingly. Canada commends the report and the progress made by the Working Group and looks forward to participating and contributing in the upcoming actions for 2021-2023.
