2021 session

Virtual, 3–7 May 2021

Item 4 (b) of the provisional agenda*

Reports: Divisions of the Group of Experts

Activities carried out by Mexico as Chair of the Latin America Division of the United Nations Group of Experts on Geographical Names

Summary**

In November 2020, the report on the activities of Mexico as the current Chair of the Latin America Division of the United Nations Group of Experts on Geographical Names was published in information bulletin No. 59 published by the Group of Experts. The report is focused on the actions taken by the Chair in the context of the Latin American Division, subsequent to the May 2019 session of the Group of Experts, for building communication synergies among Member States and disseminating the principles of the groups of experts and the regular contributions of documents on policies for and standardization of geographical names by the States Members of the Division. Also highlighted were the activities to update the web page of the Division (<http://www.genung-dal.org.mx/>).
