STATEMENT/INTERVENTION

Agenda Item Number: 10

Agenda Item Title: Toponymic education

Title of paper/report: Streamed Audiovisual Lectures on Toponymy

Statement/intervention provided by:
REPUBLIC OF INDONESIA

Statement/intervention:

THE REPUBLIC OF INDONESIA recognizes and supports the Working Group's online lecture programme and the upcoming actions for 2021-2023. The five basic lectures planned by WG have met the basic standards of toponymy training. However, the existence of guidelines for online training materials needs to be considered. It would allow the participants to have a better understanding of the topic.

Thank You.
