

STATEMENT/INTERVENTION

<i>Agenda Item Number: 6(a)</i>	
<i>Agenda Item Title:</i> Names collection, office treatment, national authorities, features beyond a single sovereignty and international cooperation	
<i>Title of paper/report:</i>	
<i>Statement/intervention provided by:</i> Government of India	
<i>Statement/intervention:</i> Dear Chairperson, India appreciates the efforts made by Norway, regarding the digital transformation of archives and collections and viewing of geographical and non-geographical information through a web Portal. We would like to share that in India, we have published the geographical names in 10 regional languages in Public Portal which can be freely accessed by the public. We have also taken initiative for development of customized Software solution for transliteration of geographical names as per standard transliteration system approved by Government of India.
