SPEAKERS

Dr. Peder Gammeltoft

Scientific Manager, Norwegian Language Collections, University of Bergen, Norway. Dr Gammeltoft is a geographical names expert in charge of Norway's largest language archive. He has acted as UNGEGN expert for Denmark and now Norway since 2009, where he holds convenorships. He has extensive knowledge about geographical names standardization and has advised experts in Moldova and Myanmar on geographical names standardization management. He is also former chair of the Danish Place-Name Committee.

e-mail: peder.gammeltoft@uib.no, web: <https://www.uib.no/en/persons/Peder.Gammeltoft>

Dr Johnny Grandjean Gøgsig Jakobsen

Associate Professor of Name Research at the University of Copenhagen, Denmark. Dr Jakobsen is a historian specializing in the Dominican monastic order and geographical names in Denmark and abroad. He is a member of the Danish Place-Name Committee and Danish representative in UNGEGN. Dr Jakobsen is currently working on a volume in the series Place-Names of Denmark as well as geographical names in the former Danish Colonies.
