Dear Mr. Wu,

I wish to refer to your letter dated 23 March 2017, reference DESA-17/00404, concerning the “Principles Governing International Statistical Activities”.

The International Civil Aviation Organization (ICAO) is fully committed to applying these guiding principles to our Statistics Programme. In this regard, during the Second Meeting of the Aviation Data and Analysis Panel (23 to 27 March 2017), Member States were also informed and encouraged to adhere to these principles.

I wish to take this opportunity to reiterate ICAO’s continued support to Member States in the implementation of the 2030 Agenda for Sustainable Development and the use of high-quality aviation data.

Yours sincerely,

Fang Liu
