The Director-General

Dear Mr Liu,

Please refer to Mr Wu's letter of 23 March 2017 (Ref: DESA-17/00404) regarding the UN Statistical System's commitment to the compliance with the "Principles Guiding Statistical Activities of International Organizations".

As Director-General of the ILO, I would like to express our full commitment to the compliance with those Principles as stated in: [https://unstats.un.org/unsd/methods/statorg/principles\\_stat\\_activities/principles\\_stat\\_activities.pdf](https://unstats.un.org/unsd/methods/statorg/principles_stat_activities/principles_stat_activities.pdf)

The ILO's adherence to those principles is fully in line with the resolution of the United Nations General Assembly on the "Fundamental Principles of Official Statistics" in 2014.

Yours sincerely,

Guy Ryder
