

World Statistics Day Celebration in Curacao

Statistics Curacao proposes to take the opportunity offered by World Statistics Day to:

- 1) Reaffirm Statistics Curacao's core values of service, integrity and professionalism
- 2) Thank employees for their contribution in compiling, analyzing and publishing official statistics;
- 3) Thanks the people of Curacao and the Netherlands Antilles for their continued participation in Statistics Curacao Surveys

Activities

- Inform the general public on World Statistics Day through radio and television
- Articles in the newspaper about the importance of statistics for Curacao
- Posters placed in public places
- Banner on the home page of the website of CBS and other important website of Curacao
- Using the Social Media
- Launching the website of CBS with a new design/lay-out
- Reception at the end of the day for the stakeholders
- Lunch with the personnel
