

## **ITU and WORLD STATISTICS DAY**

The International Telecommunication Union (ITU) actively participates in World Statistics Day celebrations in Geneva:

- ITU is one of the key partners in “Measuring a globalized world: the Geneva contribution”. This event, which is organized jointly by eight Geneva-based international organizations and coordinated by UNCTAD, will take place on 20 October 2010.
- On the occasion of World Statistics Day, ITU will release “The World in 2010: ICT Facts and Figures”, which features the latest ICT statistics and highlights the impressive growth in the telecommunication and ICT market. The new data will be presented to the press on October 19th, 2010.
