

WORLD STATISTICS DAY CELEBRATION IN LATVIA

In order to celebrate WSD Statistics Latvia is going to carry out the following activities:

1. Participate in a joint press release between Eurostat and national statistical offices of EU Member States.

2. Publications, booklets and informative leaflets devoted to World Statistics Day, including:

- Address by The founder of Statistics Latvia Mariers Skujenieks;
- A statistical portrait of an average household in urban and rural areas;
- Statistics Latvia newspaper:
 - Interviews with statisticians - old-timers,
 - Interviews with new statisticians,
 - Pictorial review about work and social life of statisticians,
 - Extraordinary happenings and questions;

3. A thematic stand in the CSB Information Centre.

4. Dissemination of publications and booklets in the CSB Information Centre.

5. Popularization of World Statistics Day within the Latvian Association of Statisticians.

6. Information in the CSB homepage.

7. Popularization of the logo of World Statistics Day and use of it in the CSB correspondence.

Latvia, 15 September 2010
