

## WORLD STATISTICS DAY CELEBRATION IN LITHUANIA

Statistics Lithuania will join the World Statistics Day Celebration on 20 October 2010.

To celebrate this Day, Statistics Lithuania in co-operation with the Bank of Lithuania and the Lithuanian Union of Statisticians plans the following activities to raise awareness of the importance of official statistics and the work of statisticians in Lithuania:

1. Joint press release of Eurostat and national statistical offices of EU Member States;
2. Official conference in the Parliament (Seimas) of the Republic of Lithuania on 20 October 2010;
3. Development and printing of a special issue of the regular publication *Statistical works* devoted to World Statistics Day;
4. Development of posters, post-its and flyers devoted to World Statistics Day;
5. Organizing interviews with statisticians in the media;
6. Thematic stands in the Library of Statistics Lithuania and 5 Regional statistical offices.
7. Development of a banner and information on WSD on the [Statistics Lithuania homepage](#) and homepages of institutions producing official statistics;
8. Open-door days for schools in Statistics Lithuania and its regional statistical offices;
9. Field tours with popular lectures and demonstrations in five major universities of Lithuania (five counties);
10. A series of exhibits in the premises and websites of Statistics Lithuania and the Bank of Lithuania: Statistics in Stamps; Population census – logo and graphics; Historical statistical publications;
11. A series of exhibits in university libraries;
12. Greetings to the Lithuanian community of statisticians and employees of Statistics Lithuania.
