

WORLD STATISTICS DAY CELEBRATION IN MOLDOVA

World Statistics Day celebration in Moldova:

The Republic of Moldova has planned a series of activities to celebrate the first World Statistics Day.

- a. Event to celebrate International Statistics Anniversary Day, with delivery of official messages and diplomas. The event will also include the launching of the History of National Statistics, as well as other cultural activities.
- b. Development of a special logo of the NSO for WSD, and inclusion of the logo on publications, correspondence and promotional materials (some of which can be found in www.statistica.gov.md).
- c. Projection of a documentary on the statistical activity of the Republic of Moldova (more information here http://www.statistica.md/page_view.php?l=en&id=2580&idc=386)
