

World Statistics Day in Vanuatu

The Vanuatu National Statistics Office is celebrating 20.10.2010 nationwide in the six provincial offices of the VNSO. In the head office activities will include:

- Launching of Vanuatu's first 'population clock' by the Minister for Finance and Economic Management (the VNSO is part of this Ministry);
- Second release of data from the 2009 Census of Population and Housing;
- Release of the Quarterly Statistical Indicators publication;
- Release of the updated and revised MDG indicator database;
- Release of the Vanuatu Pocket Summary 2010.
- Other activities with agencies in the national statistical system including education, health, labour, crime and justice
- Activities in coordination with development partners to display statistical information and publications.
- Exhibition of the population clock (an outdoor LED sign that will be placed in a public place and will have other 'headline' statistics on it).
- Distribution of promotional materials like t-shirts, banners, etc.
